<p><b>Child led experiences:</b> Alongside the daily program, children and educators will collaborate on experiences and ideas that extend on the children's interests. This will include all spontaneous experiences, as well as activities that the children request. Not all experiences will be based around the daily theme.</p> <p><b>Children's choice to participate:</b> Children are encouraged to participate in all experiences that occur at the program. However, the YWCA supports children's agency in choosing experiences that they wish to be a part of.</p>				

Every attempt is made to follow the program, however, at times unforeseen circumstances can result in changes in experiences, excursions and incursions.
