CODING WORKSHOP

2025 JAN 15~17

The Clubhouse — WHERE TECHNOLOGY MEETS IMAGINATION

YWCA CANBERRA

Are you ready to dive into the exciting world of coding and game design these summer holidays?

Over three fun-filled days, join the Coding Workshop at MLYCC!

Work in teams, unleash your creativity, and learn the basics of game development as you build your own video game from scratch.

It's FREE, interactive, and designed for aspiring young coders like you!

ABOUT THE CLUBHOUSE

YWCA Canberra Clubhouse is a free, out of school learning space for young people, aged 10 to 18 in the Tuggeranong region to grow their skills in science, technology, engineering, arts, mathematics, and music. At the Clubhouse, members can explore areas such as coding, electronics, 3D printing, photography, videography, arts and craft, textiles, music, and more.

ELIGIBILITY AND APPLICATION

This program is open to young people who will be in **Years 6 to 12** in 2025. This program has been designed to be inclusive for young people with neurodiversity and/or any accessibility requirements. For more information or eligibility inquiries, please contact us at **youth@ywca-canberra.org.au**. We're here to ensure everyone can participate and enjoy the experience!

Day 1: Idea Spark!

Kick off the workshop by meeting your teammates and forming groups to collaborate on a game. Through brainstorming and interactive discussions, you'll create a unique game concept and sketch out a plan. By the end of the day, you'll be ready to turn your idea into reality

Day 2: Development Dash!

Jump into action as you and your team bring your game concept to life! With guidance from mentors, you'll start building, designing, and coding, learning new skills along the way. Midway through the day, you'll showcase your progress and get tips to make your game even better

Day 3: Game ON!

It's time to put the final touches on your game! You'll refine your project, fix bugs, and polish every detail to make it truly shine. The day ends with a grand showcase, where you'll present your creation to an audience and celebrate your hard work.
