

Schedule of fees and charges

YWCA Canberra is a Registered Training Organisation and operates in accordance with applicable legislation and the [Standards for Registered Training Organisations 2025](#)

YWCA Canberra is entitled to charge fees for services provided to students undertaking a course of study. These fees are for items such as course materials, administrative support, student services and training and assessment services. We review our fees schedule regularly and endeavour to keep the cost of training down.

Fees and charges

Standard fees and charges

YWCA Canberra will charge the learner/employer for the enrolment application and training product as per this fee schedule, which is included on the [YWCA Canberra website](#).

The learner/employer, upon submitting the enrolment application, will agree to pay the costs detailed in this document.

Learners who receive one or more eligible Commonwealth benefits or allowances at the time of their enrolment may be eligible to pay a concession fee rather than the full fee under (but not limited to) User Choice contracts for Traineeships and Apprenticeships.

Student tuition fees are indicative only and are subject to change given individual circumstances at enrolment. Additional fees may apply such as student service and resource fees.

YWCA Canberra may review prices for learning programs, courses, and/or services from time to time without notice. Subject to the fees and refunds policy detailed in this document, YWCA Canberra will not increase the amount payable by a learner for the relevant courses, products, and/or services once the learner's enrolment has been accepted and confirmed.

Payment terms and practices

Where payment is required, YWCA Canberra will issue the learner/employer with an invoice detailing the fees to be paid, how to make payments, and the time in which the payments must be made.

Standard payment terms are 14 days from the date of invoice being issued. Should the learner require additional time to make payment, they can negotiate a payment plan by contacting the YWCA Canberra training team. Products and services will not be issued where payment has not been received unless permitted by the Education and Training Unit Coordinator. We may cancel an enrolment or discontinue training if fees are not paid as required.

Payments will either be by direct debit or by the methods detailed on the invoice.

Prepaid fees

'Prepaid fees', sometimes referred to as 'fees collected in advance', means fees collected before the relevant services have been provided. These include payments made at any time before, during or after the learner enrolls.

In compliance with Clause 18 'Prepaid fee protection measures', Division 3 of the [Standards for Registered Training Organisations 2025](#)

YWCA Canberra will not:

- accept an initial payment of more than \$1500 from each student before their course starts

- collect subsequent payments that equal more than \$1500 in advance from students after the course starts based on the costs of training and assessment which is yet to be delivered.

If the cost of the course is less than \$1500, the full amount will be requested before the program starts.

Where a payment plan has been agreed to, a direct debit form must be completed. The first payment will be debited within seven (7) working days and the monthly agreed funds will be direct debited within the first week of each month.

Note: the above applies to individuals paying for their own training. Where an employer or organisation engages YWCA Canberra to provide training and assessment, fees must be paid in full within 14 days of the date of invoice.

Course fees and charges

YWCA Canberra offers subsidised fees to eligible students under User Choice Apprentices and Trainees and Skilled Capital, an ACT Government funded training initiative. Where a student is not eligible for subsidised fees, full fees must be paid. For eligibility criteria for subsidised courses, [email the Education and Training team](#) or phone 02 6185 2000.

Where training is subsidised, an RTO tuition fee will be payable by the student/employer, as agreed to at the time of enrolment, in accordance with the relevant state or federal government contractual guidelines.

A completion payment will be paid directly to the students upon completion of the qualification and a survey. For eligibility criteria for the completion payment, please attend a YWCA Canberra induction session, [email the Education and Training team](#) or phone 02 6185 2000.
